Dear Martin:

Re: 2025-2026 Teaching Awards Competition

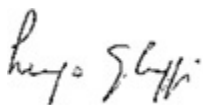

Congratulations! We are pleased to inform you that you have been awarded the Paul Chwelos Memorial Graduate Scholarship (teaching award) worth \$1,250.00.

We received several strong applications for this year's competition, and while we were very impressed by all of them, yours in particular stood out to us.

This scholarship was set up to recognize students who have demonstrated outstanding teaching excellence. The committee felt that you are an extremely deserving recipient for this award. We have forwarded our nomination to the Faculty of Graduate and Postdoctoral Studies and we are pleased that they have already recognized you for this award.

We enjoyed reviewing your nomination package and we would like to congratulate you on a job well done in COMM 370 especially given how demanding it is. We know that you will have an outstanding future as a university instructor and researcher!

Best regards,

Lorenzo Garlappi
Director, PhD and MSc Programs
